## **REPLY AND AMENDMENT**

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

In complete response to the Election of Species Requirement issued by the Patent and Trademark Office on September 23, 2002, please amend the above-identified application as follows.

## **IN THE CLAIMS**

Please replace what had been identified as the second claim 14 to claim 17 with claims 15-18 as follows.

15. (Amended) A method for suppressing lipid deposition in a blood vessel comprising administering to a patient in need of such treatment a chymase inhibitor in an amount effective for suppressing lipid deposition in the blood vessel.
